MEMORANDUM FOR THE RECORD

Subject: Conversation with Larry Howden,
ABC, San Francisco

Mr. Howden called on January 7 to request information on our Angola briefings including dates and individuals involved. After checking with Mr. Jenkins and [redacted] at CIA, I was given permission to pass on the information to Mr. Howden. I returned Howden's call on January 13 and gave to him the information on the attached list of congressional briefings.

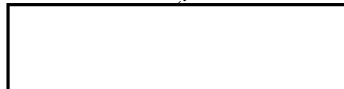

At [redacted] request, I did not mention any of the briefings given by Mr. Colby. I simply said that in addition to the briefings I had referred to, there were other briefings in accordance with Section 662 of the 1974 Foreign Assistance Act which involved six committees. Mr. Howden thanked me for the information and said that his station would probably use the information.
